A Single Father Says “Never give up, never back down”

New book enlightens readers on child support, custody, visitation rights, and why court systems are so crooked

From Toledo, OH – (Release Date TBD) – Author Joshua McDowell is a single father who would do anything for his son. A father who truly wants to be a part of his child’s life, he’s willing to fight fire with fire and never back down. Caught in an ugly custody battle with his ex, he reveals how real good, loving, honest, caring fathers like him can get screwed when it comes to the court system.

In his book *The Tools You Need to Be Successful*, McDowell gives readers the most up-to-date information on how and what paperwork to file when going through the court system. He teaches them how to deal with baby mamma drama, how to become a better parent and how to become successful in court. Through his experiences, readers will gain a much better understanding about child support, custody, and even visitation and how it is used. They will also know about the good, bad, and ugly of parenthood.

Never give up is the key to a parent’s success in their life. A father needs to be willing to go above and beyond what is expected of him each and every time. When McDowell went through the custody battle over his child, it was one hell of a roller coaster ride. But his son was worth fighting for and he never backed down. Through his book, he hopes to enlighten readers not only about child support, custody, and visitation, but also why the court systems are so crooked and what people can do to change it.

“By the end of this book you will know exactly what it takes to be a parent and what they go through. You will understand not all fathers are bad people. You will find out why it is a good idea to wait to fall in love too fast, too soon. You will know the positives and negatives of having a child,” shares the author.

This book is completely 100% returnable through the Ingram distribution Channel.
